

TETRA- Applications Day in London 2009

The TETRA Association is pleased to invite you to attend the TETRA Applications Day in London conference & exhibition taking place at the Britannia International Hotel, 163 Marsh Wall, London – E14 9SJ

From 9am on Wednesday, 2nd December 2009 delegates attending the event will benefit from a variety of product presentations delivered by TETRA's industry experts. In addition, the exhibition will provide delegates with the opportunity to see proven and innovative TETRA products and applications, to meet with industry experts and to network with fellow users.

We hope that you will find this event an interesting, informative and enjoyable experience. You will be provided with light refreshments including lunch throughout the day until we close at 5:30pm.

The conference and exhibition is free to users and members of government organisations who pre-register. For registration please go to www.tetra-association.com - follow the link world events and click on registration.

For further information email: london@tetra-association.com or visit the TETRA Association website www.tetra-association.com
